2026 January Supplement

Jisele

The slim curves on the Jisele collection imbue an aura of gracefulness. Available in an elegant single- and double-arm wall sconce version as well as 5-, 6- and 8-light chandeliers, Jisele is a stunning addition – with or without the sewn linen shades – to any room setting. The finish options are Matte Black or Rubbed Brass.

Claudine

A botanical flourish distinguishes the Claudine collection with its dainty opal glass petals that decoratively obscure the light source to provide a soft glow of illumination. Available as a single- and double-arm sconce as well as three sizes of organically inspired basket pendants, 18", 24" and 38" diameters. It is offered in Modern Gold finish.

Esme

The Esme collection offers plenty of light in a compact silhouette. The slim, fluted clear glass shades help deflect glare while providing an elegant aesthetic. Available as single or double-arm wall sconces with a diamond-shaped backplate or in 5-, 6-, and two-tier 6+3-light configurations, the shades are deliberately staggered to provide a visually interesting look that also maximizes the light output without taking up a lot of space. The finish choices are Brushed Nickel, Matte Black, or Modern Gold.

Aslin

The organically inspired Aslin collection is distinguished by delicately shaped fronds that bring a soft focus to any room in the home. The series looks equally beautiful with or without the sewn linen shades, depending on user preference. The style is offered as single- and double-arm wall sconces, as well as single-tier 6-light or double-tier 9-light chandeliers in a staggered silhouette that creates volume without seeming massive in scale. The finish options are Goldleaf or Textured White.

Breton

With a fresh, modern flair that will complement a variety of décor schemes, the Breton collection is distinguished by classically shaped opal glass shades that can be positioned upward for indirect lighting or down for more direct illumination. These luxury fixtures are available as a single swing-arm wall sconce and in 5-, 6-, and 8-light chandelier configurations to accommodate most room sizes. The design can also be easily converted to a semi-flush fixture for close-to-ceiling applications. The finish choices are Brushed Nickel, Matte Black, or Modern Gold.

Gaultier

Whether you enjoy the simple symmetry of parallel framework on a wall sconce, chandelier, or lantern, or prefer a stepped effect for visual interest, the Gaultier collection offers plenty of panache. Crystal or Alabaster bobeches supporting the decorative candlesticks add sophistication. The finish options are Matte Black-Modern Gold combination or Modern Gold.

Saros

The innovative design of the Saros collection provides light color selectable, dimmable LED illumination along the elongated acrylic loop design as well as from individual downlights for an unparalleled amount of light. The illuminated loops can be ordered in three sizes as single pendants or in groups of three and five — all with decorative braided cords. A linear version of the illuminated loop is available with adjustable, suspended cables with five or seven downlights for additional punches of light. It is offered in a Matte Black finish.

Montalcino

The uniquely shaped Montalcino lantern collection is inspired by old-world lanterns found in Villas of Tuscany. Transitional frames paired with slightly seeded glass will add aesthetic distinction to any interior spaces such as foyers, great rooms or down a vaulted hallway. Offered in several sizes, the 3- and 4-light can be easily converted to a semi-flush model, and a complementary wall-mounted version is also available. Montalcino can be ordered in either an Iron Ore or Rubbed Brass finish.

Linden

The Linden collection is comprised of three sizes of classic drum shades in a neutral fabric that can complement any décor. A glass diffuser on the bottom is a sophisticated touch that decoratively obscures the light source while providing plenty of light. The finish options are Brushed Nickel or Modern Gold. This contemporary design is powered by the latest LED technology, light color selectable and dimmable with the Z-Lite EZ change LED module.
